Other information

The Rev. Allen Tinkham has agreed to meet with us. The meeting will be held in the second floor conference room. You may bring a box lunch if you wish and eat there following the meeting.

On street parking is available - no meters - as well as a small parking lot to the rear of the Center (access from Gerard Street). The Center faces Sherman Street and is located on the corner of Sherman and Gerard. It is possible to follow signs for the Connecticut Historical Society as far as the first stop sign on Gerard - the map on the reverse should help.
