Dianne,

My apologies for taking so long to reply. My sister arrived late on Saturday and I neglected the e-mail in favor of preparations, et al.

Correction:

As to your request, please note that this is the information as I remember being given it. This was given to the volunteers and I'm not sure how much they intend for public consumption. So here goes:

The worst case scenario is that the Society will be closed from December to March (for asbestos removal and "minor" construction). In the interim, there will be a mini-reading room set up in the rotunda with the most useful reference books and as many of the microfilm cabinets as possible (due to weight). All other books and manuscripts will be unavailable. The Circulating Library and Sales will operate as normal.

I think that's all. Let me know if it's not.

Kathryn

*ckg acct

Thought we agreed to register with CT as non-profit in line with above and obtain Federal ID number from IRS. This would satisfy bank requirements and allow us to get chk a/c under CPGC name. You and Donna signed forms. : >)

Have to be OCT, as I need to run off, cut up and get to you. Will have for you at next meeting.

Don't know addresses... Ch 24 should be in Htfd phone book and they should be able to give you addresses of others.
